Maryland Region

*Commander: PNC David Ginsburg*

Please mail dues to: **Ed Rodier**  
13344 Cove Landing Rd., Bishopville, MD 21813-1102

The Larkspur Post sends best wishes of good health and safety to all of our comrades during these difficult times. We look forward to the day that we can once again gather as a Post and Association. Please take special care over the next several months as the COVID is spiking and cases are rising rapidly. We want to see everyone safe and healthy at the end of the pandemic.

We held our last post meeting via Zoom on 11 November. At the meeting Post Commander Ginsburg focused on the future of the Pikesville Military Reservation, especially the NCO Club. He went over a presentation that the Pikesville Alliance recently provided to the Baltimore County Executive, Johnny Olszewski. Coming out of

the presentation and based on the actions or nonactions taken by the County, PNC Ginsburg felt a much higher level of optimism about the long term.

In addition, Maryland VA Secretary George Owings saw the presentation and was impressed by the plans for the future. PNC Ginsburg noted that Secretary Owings deputy is our own PNC Bob Finn of Post 94 who understands how important the NCO Club is to Post 110, the Association and the other veterans' groups that utilize the facility. He is a strong ally for our cause in the Maryland state government.

However, this means that we have our work cut out for us in the near term. PNC Ginsburg indicated that we need to recharge our efforts to establish a 501 c 3 organization and begin to raise funds for facility maintenance in the short term.

Stay tuned for more information, especially about fundraising.

Our next meeting is scheduled for 9 December where we will virtually welcome the holiday season with comradery and good cheer.

Remember that any Post member who needs help using Zoom can contact either PC Ginsburg [dqinzu@gmail.com](mailto:dqinzu@gmail.com) or Post Adjutant Frank Armiger [farmiger@gmail.com](mailto:farmiger@gmail.com)

**Member updates**

Adjutant Frank Armiger recently visited the grave of the last Post 110 WWII veteran, Walter Heline, at Arlington National Cemetery and placed flowers there in his memory. This was the first Veterans' Day without Walter and we will never forget him and all of veterans who proudly served their country and, in many cases, made the final sacrifice for our freedom. the honor of finally meeting Paul at my Convention Finally, please send in dues if you still owe for 2020.

*Commander: Morris Bennett*

Please mail dues to: **Jeff Banik**

184 Tanglewood Drive, Blue Ridge, VA 24064-1417

Comrades of Post 64: greetings to you! We are still meeting at the Roanoker Restaurant. However, for December our next scheduled meeting will be at Lakeland Masonic Lodge for a Christmas Luncheon. We ask that each member bring two unwrapped gifts (not to exceed \$10. each), one boy and one girl. Also, please bring four non-perishable foods, or canned foods, for the "Military Family Support Center." There is a real need—especially this year.

The Governor of Virginia has recently set the amount of people attending events to 25 persons. Hopefully, houses of Worship and events like ours will not come under that mandate. We will need to check that out and deal with it in a later e-mail. The most important thing is to be, and stay, safe.

For the last two months we have met in-person, also we have tried to use Zoom which hasn't worked out yet. We will continue working to get that on-line connection.

On behalf of Post 64, Commander Bennett presented to the own-

er of Roanoker Restaurant, Butch Craft, a new American Flag and flag stand, as a gift from the Post. On the Flag stand is a plaque stating: "to THE ROANOKER RESTUARANT from POST 64, 29TH DIVISION ASSOCIATION, U.S. ARMY NATIONAL GUARD." It will be there for others to use also.

Commander shared the importance of the American Flag for Military Veteran's and Active Duty Persons. Mrs. Craft was pleased to receive the flag and said she had documentation dating back showing, the National Guard of the 29th Division started eating at the Roanoker in 1942, when the restaurant was downtown.

Finance Officer, Jeff Banik asked that we help some Veterans in need that he discovered.

The nominations committee presented a slate of nominees to be presented at our next meet. The installation will be at the 6 January 2021 meeting.

Captain Russell Marion Robinson; WW-II, Army Air Corp, B-24 Heavy Bomber Pilot answered the last roll call. Those known for special prayer: Adjutant Tom Greer; Al Sherman; John Eakin, WW-II; Bernard Marie and friend Marilyn; Chuck Neighbor, WW-II; Steven "Commando" Roragen; Chaplain Roger Talmadge observed moments of silence for Russ Robinson, after which rendered the closing prayer.

Commander Bennett requested to be notified of any needs of our Veterans, or any Veteran.

Our next three meetings are scheduled to be: in-person 19 December, 2020 and will include a Christmas luncheon at the Lakeland Masonic Lodge; 6 January 2021; and 3 February 2021.

The skies were clear this past Saturday night for the manned space flight to the International Space Station. This was a historic event in the making, yet there was not enough television coverage.

Space X and Mr. Elon Musk are making history with the rapid strides in space exploration, yet it has been pushed back to page six. I believe we, as Americans, should celebrate ingenuity and innovation here in the United States.

Historic events that are happening now in 2020 should be marked with as much celebration as VE- Day was on a crowded, jubilant Fifth Avenue in May of 1945! We should shine the light on American advancement with every chance we get.

I am shining the light of recognition on our heroic Veterans here

at Florida West Post 2: Mike Crouch, Cosmo Uttero, Lydon Harrell, Pastor Phil Bliss, Joseph Steimel, Dick Mosier. Their history was marked many years ago, stretching from World War II to Vietnam. I am so glad that this group continues to stay loyal to our Post, they carry the tradition of fellow 29er's from the past who want to carry the legacy of the 29th Infantry Division far into the future.

We are continuing to build our base for more recruits to join our ranks, although this effort is getting harder due to recent gathering restrictions. We will continue to press on and keep our message strong!

A Christmas meeting, before the actual Holiday is still being worked out. I will need numbers of who may want to attend. The tentative plan is to gather at The Military Heritage Museum in Punta Gorda and branch out toward Fisherman's Village for a Holiday Lunch. Hopefully I can pull this off! My contact information is listed below. In the meanwhile, enjoy a very safe and Happy Thanksgiving! I thank you all every day for your involvement in our beloved Florida West Post 2!

Greetings from the Members and Ladies of Post 88 from the beautiful Eastern Shore of Maryland. As I have stated before COVID-19 is still around and we all need to take precautions and wear masks when applicable. Governor Hogan has increased countermeasures again to help the spread of the virus in which some of us will follow and some won't. I would ask that we all follow this guidance for the sake of all of us.

The 729th Quartermaster Company has returned and were greeted at two different locations. The main body was received by the Governor and MD Senior Leadership at the Ravens Stadium on the 17th of November. The Second group was met at the Easton Readiness Center by local officials and members of Post 88 and other community organizations.

Everyone have a great holiday season.

Comrades/friends,

Greetings from your Limestone Post 1-72. I pray this report reaches you, and yours, finding all in good health and spirit. Our situation is much the same as noted in the previous report.

And, as you are surely aware, it looks like the situation will become somewhat stricter, as the Covid case reports increase, with the restrictions as they currently exist at the Armory

Regarding meetings/gatherings, we are left with no option other than to cancel our annual Christmas Party. To say the least, the

events of the past few months have indeed put a strain on all of us personally.

Even more so, my heart goes out to all the small business owners, who like me and my wife, reopened their shops, only to find out we may have to close again, as the restrictions on our business is retightened, after we have restocked our operation!

However, "this too shall pass", and I look forward to returning to the work of our Post and Association and, until such a time, I wish you all the blessings, comfort and joy that our Holidays have always meant to us and our families!

I want to wish everyone a very safe and festive Thanksgiving, May GOD Bless each and every one, and stay safe.

What a year we've all had! I know we are all ready to put it behind us. Let's look forward to 2021 and the Covid 19 Virus not be as prevalent in the world or in our lives and we can once again meet and have a convention and enjoy our comradeship. If any of you have been affected in any way by the events of 2020 we'd like to help any way we can. So please reach out to Neil or I and let us know.

We belatedly learned of the death of another of our WWII vets Edward Estey was part of the Normandy invasion with the 116th Regiment. Ed was a recipient of the Bronze Star and the French Legion of Honor. After the war, Ed served with the Army National Guard and worked for the Department of Navy. We made a donation to the Wounded Warriors Project on behalf of all Post 93 members.

Our members in the UK and France are in lockdown again so we are thinking of them and hope hardships pass soon. Member Mike van den Dobbstein has been working on a walk to follow the footsteps of the 115th Infantry Regiment from Omaha Beach to St Lo. It had to be cancelled this fall due to Covid and he (and I) are hoping it can be completed next Summer. Mike hopes to do this walk in honor of the 115th Infantry Regiment once a year moving forward. Let me know if you are interested and I will put you in touch. Mike is a Normandy guide who has out of work now since March. So praying for a better year ahead for him and all those who have lost work.

We thank all of our members for their continued support of the Association during this difficult year. We know your holiday cele-

bration may be very different this season, and we wish all a peaceful and healthy year ahead. Please support those in need and remember our military here and abroad.

Happy Holidays and here's to a better year ahead.

While we don't have anything new coming from Post 78. I would just like to take a minute to touch on some niceties that maybe we haven't heard in a while. The words "Humble and Kind" and "It's the little things" really come in to play during this time.

We see what this pandemic has done already, and it will only continue. Some people don't speak nicely anymore, don't throw a hand up to say "hi". We see so much sadness out there. I feel we can try to help change this. It takes a few seconds to pick up the phone and check on a neighbor or relative. If you aren't able to go out for items at the store, maybe, someone in the Post will be near you and happy to pick up things for you.

I would be more than happy if someone in Post 78 called me or sent me an email asking a favor, I would be blessed to do it. There are some young ones out there in our families. If and when the bad weather hits, ask for the help. Don't take a chance on hurting yourself.

Post 78 hopes you and your family have a Blessed Thanksgiving and a Wonderful Holiday season. We love our Veterans and are still trying to make a plan of dropping of some type of gift for them. Please make your holiday warm, happy and stay safe.

**Update from the NFO on the "Official Class B Hat"**

Several months ago, a decision was made to begin looking into a Class B Hat. A small group met and recommended to the Commander that a blue hat embroidered with the official Association logo become the Class B Hat.

Then it was suggested that we also have the same hat in grey, which again was approved, so the result was 2 versions of the Class B Hat.

Shortly after this was announced and a few sales were made, there was additional discussion by some as to why we as an organization needed two versions when we are one association.

A suggestion was made to have one hat and that it be a black hat with the Association logo embroidered on the front center. At the NEC I the hat was brought up and after several minutes of discussion it was agreed that the "Official Class B Hat" would be the black one as pictured here.

The Blue and Grey hats can still be ordered and worn, in fact with our online store you can order any color you want, and it can be embroidered with the logo but the Official Class B Hat to be worn as prescribed by the Commander will only be the Black version.

## "Light in the darkness"

A fetus spends nine months in darkness of the womb and then emerges as a newborn baby. A day ends at the stroke of midnight, but then a new day begins. So, it was and is at Christmas. On the first Christmas, the Holy Land was occupied by the Roman Legions. There was "No room in the Inn." Then in the dark of night, at the darkest time of the year, there was the cry of a baby and new life, the birth of Jesus.

This year has been dark, life has been turned upside down by COVID-19. There have been natural disasters. Yet in the darkness the Light of God still shines. With apologies to Kate Smith, let us pray and believe. God bless us and "God bless America, stand beside us and guide us through the night with the light from above."

Christmas is the season of Light and may God bring us Light and Life.
